

Sabre STEM Scholarship

The Sabre STEM Scholarship program was created to help reduce financial barriers for graduating high school seniors in pursuit of a STEM degree.

Sabre Systems, Inc. is proud to help build a competitive workforce of scientists, technologists, engineers and mathematicians in order to sustain our growing global economy through the Sabre STEM scholarship program. The scholarship is intended to support graduating high school seniors planning to further their education in one of the STEM (science, technology, engineering or math) disciplines.

Eligibility Requirements:

Sabre is awarding four (4) **\$1,500 scholarships** to graduating high school students. To be eligible, the candidate must meet the following requirements:

- ✓ Plan to pursue an undergraduate degree in science, technology, engineering or math within the following disciplines:
- *Computer Science, Engineering, Mathematics, Cyber Security or Teaching in STEM areas*
- ✓ Enroll in an accredited, U.S. college or university as a full-time student for the upcoming fall semester.
- ✓ Have a minimum 3.25 cumulative GPA on a 4.0 scale.
